

US SPRING COLLECTION 2024

Venchi
1878

Easter is the perfect occasion to share moments of joy, where laughter mingles with the scents of homemade dishes, and chocolate takes on a starring role, becoming a symbol of happiness and taste. This year, Venchi interprets these values with a wide selection of **Gourmet Eggs and mini eggs** perfect for everyone. Passion and quality ingredients give life to recipes that satisfy all tastes.

The new additions to the Easter 2024 collection are a tribute to two of the most iconic and beloved Venchi chocolates.

The **Chocoviar Stracciatella Chocolate Egg** is dedicated to sweet flavours enthusiasts: a new recipe that blends white chocolate with cream, cocoa nibs, and vanilla beans, with crunchy milk Chocoviar grains inside.

The second delicious novelty is the **Cannolo Chocolate Egg**. With its irresistible, orange-scented ricotta cream and gluten-free biscuit crumbs in a dark chocolate shell, it offers a journey into Mediterranean flavours bite after bite.

Lovers of Venchi's classic and timeless favorites can enjoy Gourmet Eggs in milk, dark and salted white chocolate, with crunchy nuts or creamy Gianduia filling, with caramel, raspberry, or pistachio... a lot of treats for a joyful Easter.

Tuft mini eggs are in
70% recycled PET.

Tuft wrappings
are in 70%
regenerated PP!

OUR COMMITMENT TO SUSTAINABILITY

We continue our commitment to constantly improve the selection of raw materials and our suppliers to ensure increasingly creative and elegant collections, while remaining sustainable.

The Easter 2024 collection is indeed made with materials that enhance the aesthetic aspect and the quality of the packaging while not harming the environment.

All ribbons are in cotton

Aluminium
wrapping.

Plastic holders for
eggs are 100%
recycled PET
